

## FUEL BOWSER

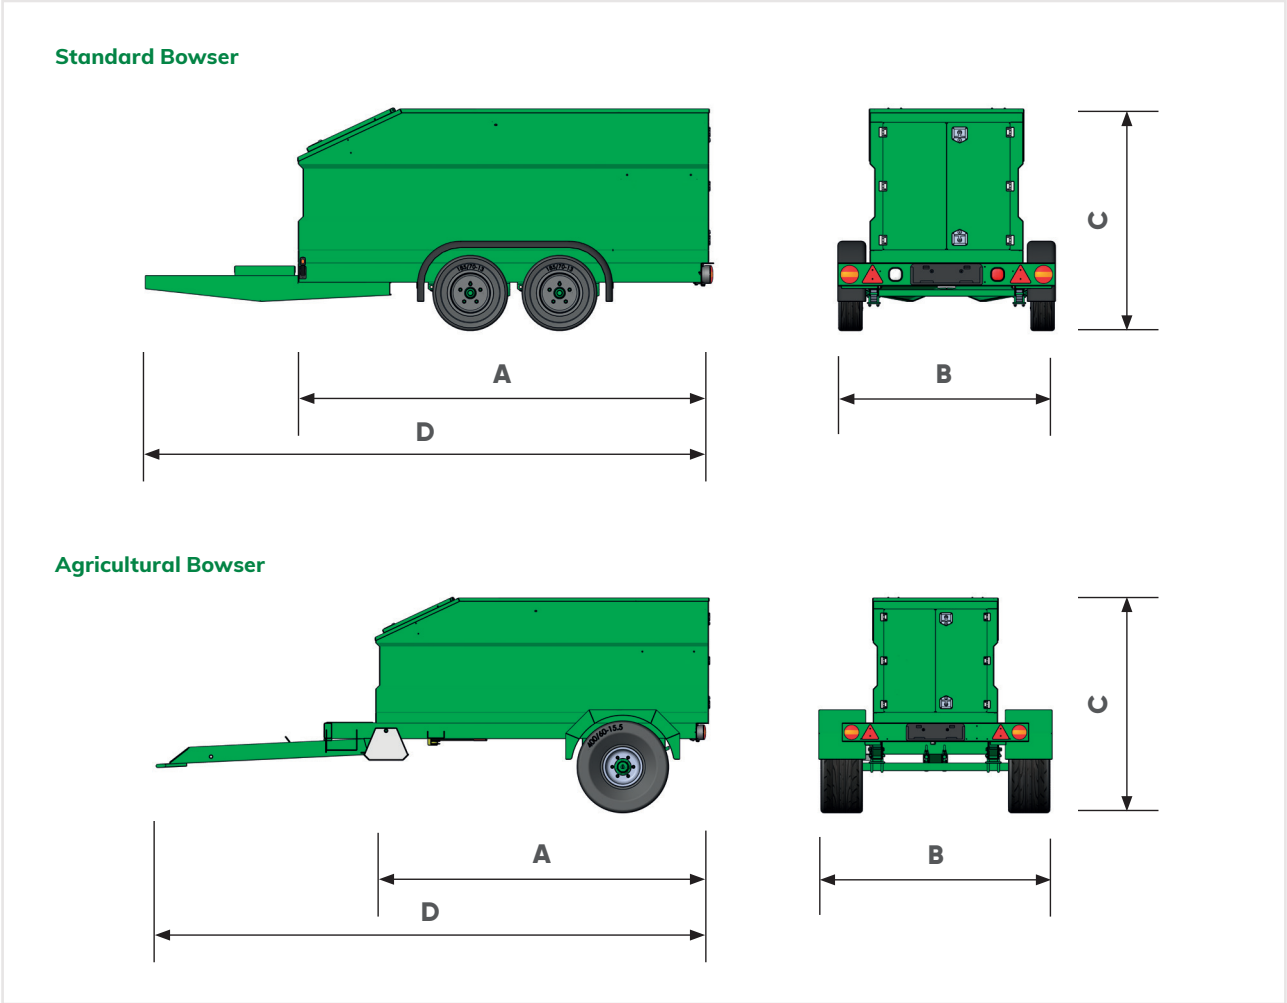

## REFUEL IN THE FIELD ...

Our Fuel Bowser features a 2000 ltr fully bunded tank, with a 12v, 85 L/min pump positioned for easy access which is protected by a locking top panel. Also with lockable double back doors incorporating a 220 litre Adblue tank with pump and auto gun plus a storage shelf.

### Standard features

Both models feature mudguards, brakes, screw jack or shoe, LED lights, flow meter, number plate holder, 220 litre Adblue tank, 10 metre retractable hose with auto gun and rear storage compartment. The Standard Bowser is designed to be towed by a motor vehicle and the Agricultural Bowser by a tractor.
